Genius in the Rough. THE SPIRIT OF DEMOCRACY

TUESDAY, JUNE 10, 1884.

Each man whose card is approved has a

space given him In this manner Gould

An Anecdote of Jenny Lind.

Pall Mall Budget.

Hard to Pronounce.

financiers, they are at least familiar with

The irrefragible evidence that he was

leasant a crowd of from twenty to one fence and thus addressed her neighbor hundred persons is collected at the cor- who was hanging out her week's washner of Madison and Market streets. A ing .white paper and fastened on a board which leans against the building. "Stand How the Wall Street Magnate Puts back about four feet for the best view of the picture," cries the artist, as be stands

anusual pressure at his office, but few, cognition. lowever, are favored with an interview No man has more enemies on Wall street and would form a good subject himself known a day's happiness. The father than Jay Gould, and there is no telling for some cartoonist. He is young, not drinks, I expect. Too had that such what shape their enmity may assume over seventeen years old, but large for people should come into this neighbor-Scores, and even hundreds, of ruined his years. His face is very red and the bood. I wonder who they are? speculators ascribe their misfortunes to features coarse; but the expression of "I know them." im. and many of these are only await- his eyes gives him a jovial appearance. "Do you? Well, I declare. Who are ing a suitable opportunity of revenge. His dress, for an "artist," is peculiar they?" Gould seems to be conscious of this, and in this respect he does not seem to . "The mother is my sister, and the and therefore keeps concealed as much have any taste or a desire to look nest. father is superintendent of the Methas possible He is, indeed, the hidden He wears an old slopch hat, encircled by odist Sunday school " power of Wali street. He rarely leaves a leather strap, which is thrown well A painful pause ensues. his office, and no one can obtain admit- back on his head, and the long locks of tance until a series of statements have neglected bair fall in confusion over his been made. A card is placed in the vis brow. He has an old coat, under which Hood's Sarsaparilla, and you have conitor's hands, on which is printed as fol- pe ps a gingham acket. His pants are clusive proof of its superior strength lows: "State name," "State residence," a great deal the worse for wear, and his and cheapness. Try it, "State business." These printed one shoes are almost soleless. Yet there he above the other, with broad blanks to be stands several hours every day, and his filled out, have a rather forbidding ap broad smile bids the timid come up and pearance, and many who wish to see look. He never seeks orders or at-

at night, and that's when I make there and cheaper than any other establishment can do it, Gould reaches his office with a perfec drawin's. I've been on this corner now

8:20 once views the stern realities surroun ting an active business life. Its varied claims, vi. cissitudes, nucompromising discipline and grave responsibilities imperceptibly take possession of him, while his associations are such as to brighten his faculty of comprehension and materially improve his moral inclinations.

103t has been done in wait a rect, and solve to wait a rect, and he awakens in the morning with a clear where it was raised, in Rock Island, Ill. It is this anticipation of the future which gives him such advantage over other operators. As soon as he is seated at his desk, Mirisoni brings in the telegrams inclinations. Genisl generous and kindly influences are and also all newspaper articles that have ed a good deal before that. I've got the brought to bear in stimulating his ambition a financial importance. Tuis is all Gould bulge' on these 'ere city artists, for I withheld that might tend to stimulate pupils as they may bear upon his interests.

It will take from one to two hours to part on able pride for the achievement of distinctive houses. Every individual standard tends and as Gould controls nearly 5 000 dent receives like consideration, and as a result, a failure to ancours is comparatively anknown in this college.

A feller as hasn't any money to spend for lessons has to get along the best he kin, but I'm bound to get the name of Billy Fresr up as high as any of 'em and a failure to ancours is comparatively ask. While sitting in his office he may be conferring with men in St. Louis.
